The New World Order is "Communism"

(I am on vacation for a week but will be reposting key articles. This incorporates, revises and updates the essential "Central Bankers Seek Totalitarian Power"

(http://www.savethemales.ca/001830.html) from Nov. 2003.)

Most people think Communism is an ideology dedicated to public ownership and championing workers and the poor. This was a simple but incredibly successful ruse which duped hundreds of millions. The ideology appealed to people who want something for nothing- rather a large segment.

Communism is a form of monopoly capitalism with the State fronting for the monopoly capitalists. In the West, the State also fronts for monopoly capital, except in Communism the State is totalitarian and intrusive. This is what we can look forward to.

East or West, Communism is devoted to concentrating all wealth and power in the hands of the central banking cartel (the Rothschilds and their allies) by disguising it as State power. (The State is run by witting & unwitting agents of the Rothschilds. When the USSR dissolved, the national wealth was divided between mostly Jewish "oligarchs" who were fronts for the Rothschilds.)

Any ideology that further concentrates wealth and power in the hands of the "State" is Communism in another guise. These ideologies -- socialism, liberalism, fascism, neo-conservatism, zionism and feminism -- are fronts for "Communism," and are organized and funded by the central banking cartel.

The essence of the New World Order is Communist. *Current events are all designed to increase government power.* For example, the viruses that the *Protocols of Zion* mentioned over a hundred years ago, and threaten us now, are designed to force people to vaccinate or quarantine. **They are tests to see how much government control people will docilely accept**. That's why it's very important to resist vigorously. My hunch is that this is not the big plague but could very well be a dry run. Amazing how the mainstream media is so certain this is going to be serious.

We must ask ourselves why, when America is teetering on financial collapse, Obama would focus his energies on expanding health care? This is like a bankrupt man buying a Mercedes instead of getting a job. My friends say it is a diversion. It certainly fits the pattern of increasing government control.

THE RED SYMPHONY

After *The Protocols of the Elders of Zion, The Red Symphony (http://www.henrymakow.com /000275.html)* is the best revelation of the real state of our world. "The Red Symphony" is a 1938 Stalinist Secret Police (NKVD) interrogation of Christian Rakovsky, a Soviet ambassador who was a close associate of Leon Trotsky, Rothschild's agent. The text is online (http://mailstar.net /red-symphony.html) or in Des Griffin, *Fourth Reich of the Rich.*

I introduced this explosive 50-page document to my readers in 2003. It strips the veil from modern history and explains the real meaning of Revolution, Communism, Freemasonry and War. It was not intended to become public knowledge. The translator, a Dr. J. Landowsky, made an unauthorized copy.

The human experiment is endangered by private interests who have usurped the function of money creation everywhere. Modern history reflects the gradual process by which they transfer all wealth and power to themselves, destroying Western Civilization and creating a world police state. In 1938, he could say the whole world is controlled by the Rothschild syndicate of Sabbatean (Illuminati, Masonic) Jewish bankers and their allies.

Rakovsky, whose real name was Chaim Rakover, was sentenced to death in Stalin's purge of the Trotskyite faction of the party. Leon Trotsky wrote in his autobiography, My Life, : "Christian G. Rakovsky... played an active part in the inner workings of four Socialist parties-- the Bulgarian, Russian, French, and Roumanian--to become eventually one of the leaders of the Soviet Federation, a founder of the Communist Internationale, President of the Ukranian Soviet of People's Commissaries, and the diplomatic Soviet representative in England and France ..."

Rakovsky tried to convince his interrogator that the bankers created the Communist state as a "machine of total power" unprecedented in history. In the past, due to many factors, "*there was always room for individual freedom*. Do you understand that those who already partially rule over nations and worldly governments *have pretensions to absolute domination?* Understand that this is the only thing which they have not yet reached." (emphasis mine)

A pernicious force paralyzes our national life. Rakovsky identifies it: "Imagine to yourself, if you can a small number of people having unlimited power through the possession of real wealth, and you will see they are the absolute dictators of the stock exchange and [economy]...If you have enough imagination then...you will see [their] anarchical, moral and social influence, i.e. a revolutionary one...Do you now understand?"

"...They created credit money with a view to making its volume close to infinite. And to give it the speed of sound....it is an abstraction, a being of thought, a figure, number, credit, faith...." (pp.245-246)

Of course they need to protect their credit monopoly by translating it into a monopoly over all power and thought. World government is necessary to prevent any country from issuing their own credit (money) or repudiating their debt. This is the New World Order.

MARXISM

The Revolutionary Movement, which defines modern history, was a means to institutionalize banker power by destroying the old order. Marxism, **"before being a philosophical, economic and political system, is a conspiracy for the revolution."** Rakovsky scoffs at the "elementary Marxism...the demagogic popular one" that is used to dupe the intellectuals and the masses. (238) Marx was hired by Rothschild to dupes the masses. Rakovsky says Marx "laughs in his beard at all humanity." (Griffin, 240) Of course, Marx never mentioned the Roithschilds. (243)

As for Freemasonry: "Every Masonic organization tries to create all the required prerequisites for the triumph of the Communist revolution; this is the obvious aim of Freemasonry," says Rakovsky, a high-ranking Mason himself.

The aim of the Revolution is no less than to redefine reality in terms of the interests of the bankers. This involves the promotion of subjective truth over objective truth. If Lenin "feels something to be real" then it is real. "For him every reality, every truth was relative in the face of the sole and absolute one: the revolution."

In other words, white is black and up is down. This is the way it was in the Soviet Union and this is now happening to us. Truth and justice are being replaced by political diktat. "Political correctness" a Bolshevik term is now in common usage. Physicists like Steven Jones who question Sept.11 are silenced. (The problem with not bringing the 9-11 perps to justice is that they will do it again.) Homosexuality is normalized and promoted to increase arrested development and destroy the family.
.

Rakovsky marvels that "the benches on which sat the greasy usurers to trade in their moneys, have now been converted into temples, which stand magnificently at every corner of contemporary big towns with their heathen colonnades, and crowds go there ...to bring assiduously their deposits of all their possessions to the god of money..."

He says the Soviet five-pointed star represents the five Rothschild brothers with their banks, who possess colossal accumulations of wealth, the greatest ever known."

Isn't it strange that Marx never mentions this fact? Rakovsky asks. Isn't it strange that during revolutions, the mobs never attack the bankers, their mansions or banks?

WAR

War is the means by which the central bankers advance their goal of totalitarian world government. Rakovsky says Trotsky was behind the murder of Arch Duke Ferdinand (which sparked WWI.) He recalls the phrase used by the mother of the five Rothschild brothers: "'If my sons want it, then there will be no war.' This means that they were the arbiters, the masters of peace and war, but not emperors. Are you capable of visualizing the fact of such a cosmic importance? Is not war already a revolutionary function? War? The Commune. Since that time every war was a giant step towards Communism."

After the murder of [Illuminati member Weimar Foreign Minister] Walter Rathenau in 1922, the Illuminati give political or financial positions only to intermediaries, Rakowsky says. "Obviously to persons who are trustworthy and loyal, which can be guaranteed a thousand ways: thus one can assert that those bankers and politicians [in the public eye] - are only men of straw . . . even though they occupy very high places and are made to appear to be the authors of the plans which are carried out." Think Barack Obama.

In 1938, Rakovsky outlined three reasons for the upcoming Second World War. The first is that Hitler began to print his own money. "This is very serious. Much more than all the external and cruel factors in National-Socialism."

Secondly, the "fully developed nationalism of Western Europe is an obstacle to Marxism...the need for the destruction of nationalism is alone worth a war in Europe."

Finally, Communism cannot triumph unless it suppresses the "still living Christianity." He refers to the "permanent revolution" as dating from the birth of Christ, and the reformation as "its first partial victory" because it split Christianity. This suggests that the "conspiracy" also contains a racial or religious factor.

"In reality, Christianity is our only real enemy since all the political and economic phenomena of the Bourgeois States. Christianity controlling the individual is capable of annulling the revolutionary

projection of the neutral Soviet or Atheist State."

Now the Central Bankers are promoting World War Three as in "The Clash of Civilizations." Substitute Islam for Christianity above, and pit "Christians" against them.

NEW CONCLUSION

The New World Order does not only create a new power. It creates a new reality out of touch with the truth. It employs legions of pundits, professors and politicos to enforce its precepts. These are the argentur ("agents") referred to smugly in *The Protocols of the Elders of Zion*.
What kind of credibility do these people have knowing they will lose their jobs if they tell the truth? They are all accomplices in the 9-11 cover-up,

The truth is that society is totally subverted. Government, education, entertainment and the news media are totally in the hands of the central banking cartel. The private sector all sings from the same song book, indicating the central bankers control it. The same applies to think tanks, foundations, NGO's, professional associations and major charities. Intelligence agencies report to the central bankers. They and Masonic secret societies are a central part of the mechanism of control.

This article (http://www.huffingtonpost.com/2009/09/07/priceless-how-the-federal_n_278805.html) "How the Fed Bought the Economics Profession" is the template for all professions.

As a result, society is helpless to address its real problem: the untenable concentration of wealth, power and cultural influence in the hands of Cabala-believing bankers secretly intent on culling, degrading and enslaving us. We are stymied by the bogus charge of "anti-Semitism" when most Jews are deceived and manipulated like everyone else,(although their role is vastly disproportionate.) There is no shortage of lackeys from all ethnic backgrounds willing to serve these Satanist bankers. This service defines "success" today.

"History" is a lie. Wars are a fraud. Current events are largely orchestrated. Projects are ventured for different purposes than stated. All we can do is continue to throw a spanner in their works and alert our fellow citizens. I am not too concerned with catastrophe. I see continued gradual drift to one world order fascism. Mankind is being put into a coma, a state of arrested development based on a fixation with toys, sports, relationships, sex and money. The last thing the bankers want to do is awaken the cattle from their slumber.

Mankind is doomed as long as Cabalist central bankers control society. All that is needed is to nationalize the central banks, repudiate debts created from nothing by these bankers, break up cartels, especially Hollywood and the media, and institute strict public campaign financing.

But as long as the majority perceive their interests in terms of the status quo, our problems will remain systemic. They won't go away.

You are soooo right (as in correct). Thank you for that article and thanks for all you do. You are telling many, extremely important truths. Keep up the good work!

I've been saying for a year now that communism was just a ruse, a gimmick. It is merely a method to steal wealth and power from others and institute an oppressive, totalitarian state. Almost nobody who is powerful supports the idea of communism for noble purposes. Communism is devoid of goodness. It is a dark, evil thing but even so communism is a false front. It is the thing behind communism that is the real problem and has always been the real problem. While there are multiple contributing factors, I'm afraid that the Talmud, Cabala, and Protocols of Zion are primary contributing factors. More recent ungodly influential writings along those same lines include Saul Alinsky's Rules for Radicals.

Unfortunately, Jews are not the only ones who are promoting the demise of the family - at least not in this day of age. We have many Catholics (Margaret Sanger - founder of Planned Parenthood - was a Catholic!) who do not follow the teachings of the Church. Here's the thing - you cannot pick and chose. You admitted not agreeing with the opposition to contraception. Yet, it is indeed artificial contraception that opened the can of worms that has led to the high abortion and out of wedlock and general promiscuity.

In 1930, Pope Pius XI reiterated the teaching of the Church. In 1968, after the unfortunate interpretations of Vatican II, in which many Catholics as well as priests came on board with the legalization of contraception, Pope Paul VI predicted in his encyclical Humanae Vitae what would happen if we contracepted. You will be amazed - everything he said has come to pass. Gandhi thought contraception and evil and a disorder - it is the root of the demise of the family - the devil entered the Church and began with his shepherds and then moved to the family. (Did you know that only 1% of couples who use Natural Family Planning divorce?) There is also a correlation with divorce as well.

I am a co-author of a study for young adults called Genesis and Beyond: THe Divine Plan for Human Love - why not order it and read it - you will come to know why the Church teaches that contraception is an evil and a disorder! www.genesisandbeyond.com

Thanks for this article. It may interest you to know that Anatoliy Golitsyn, author of "The Perestroika Deception," also said that the New World Order is the New World Soviet Order. Golitsyn said that Perestroika is a deception and he should know since he was a KGB defector and was present and the creation of the Soviet Perestroika strategy. The joke in Moscow was "First comes perestroka, then

comes perestrelka (the shootout)."

It is ironic that some Canadians berate the USA for not paying its dues to the United Nations. Herb Titus, an American constitutional attorney, examined the UN Charter. He said it is not a treaty, but rather a supranational plan for world government. And all nations who belong to it will be forced to surrender their sovereignty.

Why the USA has the UN on its shores and Canada both Canada and the USA are members of it is a mystery to me.

Finally, with regard with the female soldier at the bottom of the page, war is traumatic. Especially to women. That we are so spineless and weak that we send women to war where they are raped by their fellow soldiers; and allowed to maim, kill, and die themselves does not speak well for us as a culture.

Manuel said (September 13, 2009):

Great article Henry! One of your best in my opinión, you have concisely encompassed the most important points of our current paradigm. You are one of the few that points out the Jewish responsibility on the NWO plans (being Jewish yourself, which makes it even more meritorious) but without advocating for violence against world Jewry, and also pointing out that the elite of Sabbatean Jews would not be able to carry out their agenda without the helping hand of their gentile lackeys.

Truly the Jewish question is more critical for us nowadays than ever before, I don´t have a definitive solution for our dilemma, but I would say the path we should take is one of non compliance with the fiat money financial system, and non acceptance of political correctness. If one person dares to speak the truth and gets his/her life destroyed it doesn´t help at all, but if everyone gathers courage at the same time, they won´t be able to oppress us all.

Same with all debt to the corrupt usurious banking cartel agencies throughout the world, and with any kind of illegal taxing, one person can´t beat the system, but solidarity and a focused effort surely could. That´s why right now all we can do is inform as much people as we can, and maybe when things hit rock bottom, people will awaken from their materialistic slumber and put the knowledge to good use.

Either we resist or we will be carried away from the desired designs of the True Highest God and we will bring our own demise, surely we wouldn´t be the first…..

The article showing how Marxist doctrines and theories lead to a paternal style of totalitarianism reminds me of something I learned about as a child. Throughout history, man has been duped into believing that war is unavoidable and presents a means of showing ones true courage/bravery etc. (see The Red Badge of Courage by Stephen Crane), yet we are all instinctively afraid of dying alone or being maimed. Therefore, the situation forces out lies to be told about the enemy, demonizing them and insisting that one side (our side) is right and God is on the side of the righteous. This promotes an ideology that breeds young men to join the military and beg for an opportunity to die in a war on 'foreign' soil!

While growing up as a child and good Catholic altar boy in Oklahoma and Texas, we discussed many of the better points of history and historical political theory. When the discussion got to Karl Marx and his teachings, Marx was all wrong since the old man missed the mark entirely. One example was that when the Marxist philosophy stated the employer and worker were enemies, this was a ruse to simply build resentment and encourage servitude to the state rather than the human spirit. A state sponsored government was devoid of any desire to save the individual and his/her creativity, rather the state would play the role of a 'parenting' entity (totalitarian). Nothing would be left for the individual to produce, so the state would govern all aspects of the lives of people! Everyone is to

believe the same information is true and that is what we are told to believe. This scary, isn't it?

I saw it happen in "nationalist" China with Chiang Kai-shek, who let himself be corrupted by the drug trade* providing money to support his taking more and more power. This bastard was more ruthless than Mao Tse Tung, because he said he was leading the Chinese people away from communism but right into totalitarian rule, his misguided rule. People get wrapped up in nationalism and next plunge into fascism. The doctrine dupes them in every way going and coming. Chiang Kai-shek, the dictator, is still considered a heroic figure in Taiwan today. Seriously, many people there swear by him!

The more the message is out of touch with the majority of people, the more they seem to embrace it. They readily accept fascism to avoid socialism or communism. Now is the era of Obama worship, planned by design (damn you Oprah!) for the purpose of misleading the American people once again. Support his effort to destroy this land once and for all --- oh yeah 'socialized medicine', not 'national health care' for all? Really? Last time I heard this, Hillary Clinton was leading the charge at the beginning of the Clinton administration...

Obama is going to be flying the flag of Red China on the White House from 20 September to supposedly show solidarity with China's favoured trade status. The message he is really sending is that a 'foreign' flag will soon be flying over North America, and with that comes a new currency and North American Union (NAU). Although I am of Afrikan descent myself, I believe that Obama is the perfect ("wolf in sheep's clothing") man to usher in the New World Order. His blood relation to George W. Bush and Dick Cheney insure their safety from prosecution for their war crimes, and put a different face on the NWO itself, still the Rothschilds and Mossad continue to pull the strings. Here's to in the words of the late Orson Wells, THE LATE GREAT PLANET EARTH!!!
